## OVERVIEW

The EDWARDIAN 2 cast iron radiator is exclusive to Beaumont. This very popular style comes in two heights and with its' smooth lines will add charm to any room in any period or contemporary property.

All Beaumont cast iron radiators are carefully hand built to your own required BTUs and fully assembled ready for plumbing into your new or existing pipework.

The EDWARDIAN 2 can be finished in a variety of colours – metallic, Farrow & Ball range, RAL colours or primed for onsite painting.

Because each radiator section is hand cast there may be a slight variation in the length of each radiator once built (end bush to end bush), please allow for this in your pipework fitting.
